* COLECÇÃO DE 120 AUTOCOLANTES

ESTRELAS da TOP MUSIC

Tem esta colecção o fim de levar até vós, os artistas nacionais e estrangeiros que estão no «TOP» mundial da música ligeira.

Assim apesar das imensas dificuldades que uma colecccção deste tipo sempre trás a qualquer editor, pretendemos que vos seja uma maneira útil de coleccionar os vossos artistas preferidos, sem grandes custos, e terem assim uma colecção de autocolantes interessante ao vosso alcance.

Dá esta colecção milhares de prémios como, discos, cassetes, gira-discos, gravadores, etc. que saiem directamente através de senhas, dentro das saquetas, e que poderás logo levantá-las no local aonde compras os autocolantes.

A colecção por razões técnicas, e para se tornar mais prática, é ordenada por ordem alfabética, quer nacional ou estrangeira, na sua colocação na caderneta. Assim de A a Z desde os AC/DC, até aos ZOOM. Esperamos ter estado à altura da vossa escolha.

Esperando não vos desiludir e antes pelo contrário, darem-nos alento para que possamos continuar a levar até vós iniciativas deste género, obrigado.
